**2017 Training Opportunity!** A regional workshop focusing on evidence-based practices with an emphasis on expressive communication.

## Description

Two-day workshop guides school teams through the process of systematic instruction designed to enhance learning outcomes and minimize challenging behaviors. Instruction techniques include:

- Direct teaching
- Generalization
- Building flexible and functional language
- Social skills & peer-based interventions

Day two:

- Explore the PEAK Relational Training System

## Ideal for School Teams:

- Special educators & paraprofessionals
- Administrators
- General educators
- Related service providers

## Expect:

- Guided planning time to explore/practice advanced behavioral and systematic instructional strategies for teaching students with challenging behavior

## Professional Development (PD)

- One credit of PD will be offered (Boise State or University of Idaho)
- Follow-up webinars:
  - Advanced behavioral and instructional strategies
  - Targeted needs
